# ART TRAIL

28 to 30 June 2019

**Ilkley Arts / free event**

All venues are open 11am - 5pm each day

# ILKLEY ART TRAIL – 2019

Welcome to the **2019 Ilkley Art Trail programme**. We made the decision to move the Trail to the end of June partly to see if better weather makes a difference to visitor numbers but also June allows us to access venues that normally are being used by the Literature Festival. Let us know what you think about the change of date.

Ilkley Arts has had a busy 18 months since the last Trail. Most significantly we have moved to the Manor House estate and are based in two spaces in the cottages adjacent to the Manor House. This has allowed us to create a new beautiful studio space in No 4 Castle Yard and a new venture linked to the new Ilkley Arts Hub scheme. Several exhibitions have been held in the studio space and a wide range of workshops from bunting making to ceramics, jewellery making to life drawing.

We have opened the Solar Gallery in the Manor House and set up a new membership scheme for people who love art.

So, to the Trail. There are over 50 artists exhibiting in the Trail this year and the quality of their work is as high as ever. The programme will also feature fringe events happening before workshops during and some fantastic art events happening after the Trail - so make sure you put the programme somewhere safe.

We have worked with our key designer – Massimiliano Belli - since he was as student at Bradford School of Art. He has now set up his own design company (*From\_abroad*) with his partner and we are delighted to supported his up and coming business venture.

Our volunteers play a key role in making the Trail happen and so a big thank you goes to all of them. We have also continued to enjoy great support from all kinds of businesses and individuals – our thanks go to all of them too.

Ilkley has a thriving and developing art scene and one that we need to nurture and celebrate to help it thrive.

**We hope you will enjoy the Trail.**

JOIN ILKLEY ARTS HUB MEMBERS TO CREATE  
A VIBRANT CREATIVE HUB FOR EVERYONE  
INTERESTED IN THE ARTS

## Join Ikley Arts Hub Members

for **everyone** interested in the arts

In 2017, Ilkley arts established an art studio in Back Nelson Rd. With the Manor House being transferred to the Ilkley Manor House Trust last year, we took the opportunity to move the studio to 4 Castle Yard, one of the Manor House cottages. We have also entered into a partnering arrangement with Ilkley Manor House Trust with the intention of creating a heritage and arts hub for the town.

Art School Ilkley is now very well established at the studio. We offer the studio for rental by artists and other groups for workshops. The Solar Gallery has launched at the Manor House. We are renovating an additional collaborative space for use by members.

We have also launched a membership scheme. If, like us, you love Ilkley and love the arts, then you can join the Ilkley Arts Hub and help us create a vibrant creative hub for everyone. **£5 per month.** Exclusive benefits. See website for details. [www.ilkleyparts.org](http://www.ilkleyparts.org)

## NEW PARTNERSHIP

Ilkley Arts move to its new premises in the grounds of the Manor House has allowed an important emerging partnership to develop with Manor House Trust.

Most significantly the old education room in Cottage No 4 has been turned into the beautiful Ilkley Arts studio that now is available for hire and for art lovers to attend workshop and activities and exhibitions that are happening in the space.

Over the coming months Ilkley Arts will work in collaboration with the Manor House Trust to support a range of art and creative activities in the House and courtyard.

IlkleyArts

**Situated in one of the cottages, adjacent to the beautiful Manor House, lies Ilkley Arts Studio.**

**It is a light spacious studio where artists run workshops and events, including pop up exhibitions, throughout the year as well as being the home of Art School Ilkley.**

**It is a creative, vibrant and exciting arts hub for Ilkley and is available to hire.**

## OTB MEMBERS EXHIBITION

---

We are the Choices project as part of Outside the Box. The project launched in August 2014 to help people with a learning disability to; express and develop their creativity; achieve more independence, choice and influence in their lives.

The project with the help of Artists and tutors helps members explore their creativity and develop their artistic and expressive skills, abilities and confidence.

The arts offer a powerful way of enabling our members to learn new skills and ways of communicating, to demonstrate their talents and develop new friendships.

Our exhibition will include work in a range of different styles using several mediums, allowing our members the freedom to express themselves.

Please visit our café for a hot drink, soup, sandwich or a slice of our wonderful cake as you make your way around the trail, located on Bridge lane.

# ART — STALL

## Art Fund\_

An Art stall is being run in the courtyard at the Manor House in aid of the Art Fund which is a national charity that raises money to keep valuable artwork in galleries and museums for all the public to enjoy instead of them being bought by private collectors.

The stall is run by a young art lover who thinks the Art Fund is a great charity to be raising money for “because all people should have easy access to great art. In my opinion, art is crucial to our lives as it asks questions about the world around us”. Handmade gifts from hanging love hearts, to intricate candle holders will be for sale.

## THE COMMUTE CYCLE CAFE

CALL IN FOR A GREAT COFFEE AT 20 LEEDS ROAD - LS29 8DS

We are delighted to have The Commute Cycle Cafe as the 2019 Trail cafe. Lauren and Gavin run the bustling cafe and cycle workshop close to the centre of Ilkley.

# TOWN HALL — VENUE 1

Ilkley Arts is delighted to be able to use the imposing Town Council chamber in the Town Hall again this year to showcase a piece of work from every artist on the Trail plus a small display of Lucia Smith's work.

This proved very popular during the 2017 Trail - so make it your first stop on the Trail to get a great overview of what joys await.

# THE MOORLAND COLLECTIVE AT ILKLEY ART STUDIO

Five artists, brought together for this exhibition by a love of their local landscape, working in different mediums both independently and collaboratively. The Collection at Cottage No. 4 explores the sounds, textures and vistas of Ilkley Moor.

From the tapestry of colour which blankets the land, to the ever-changing skies pierced with silent wings and shards of light, to the ancient dry-stone walls which create a skein of lines across the land, the moor is a place of wonder, restless change, memory and time. The artists have tried to evoke those experiences in their work.

My work explores the three dimensional qualities of a subject. Whether it is the human face, the landscape or the twisted form of a bird's neck, I relish the struggle to illustrate these forms using a range of different materials.

I enjoy the whole process of ceramic art, from making my own glazes to mixing clays together to achieve different effects. Experimentation keeps my work varied whilst still recognisable as my own through my mark making style.

My work is inspired by the constantly changing skies, whether it be subtle or vivid colours, and a desire to capture our human emotional response to it. Interaction between that sky and landscape and how we fit into the scene.

My work evokes the essence of the Yorkshire landscape and its myriad kaleidoscopic changing atmosphere. It is an imaginative, emotional, creative response rather than a topographical record. Finished work aims to be a combination of representational and expressive painting.

# HOW TO USE THE PROGRAMME

---

## VENUES

---

The numbering of the venues is not in a geographical sequence and we suggest you just create your own trail according to the artists you would like to see.

## MAP

---

There is a map showing all the venues in the middle of this programme. There will be large maps at the town hall and Manor House too to help guide you to the venues. There is also a printable version of the map on the website.

**NB only** the main and relevant roads are marked on the maps. Look out for large venue signs, bunting and directional signs to guide you to the venues. Also check the distance between venues if you are walking.

## OPENING TIMES

---

All venues are open 11 am – 5 pm on the 3 days of the Trail.

## PAYMENTS

---

Some of the artists will have a card reader but some will only be able to take cash or cheque. There are cash machines on Brooke Street, The Grove and in supermarkets.
